## The Gijs+Emmy Spectacle - book and DVD

"On 12 May 1967, Gijs and Emmy presented their vision in a spectacular show in the Stedelijk Museum. This show, with its futuristic clothing and large aluminium neck bands, styling of the models, spotlights and electronic music, placed them in the vanguard of modern youth culture in one fell swoop."

Author Marjan Boot and filmmaker Lex Reitsma have reconstructed this sensational fashion show from 1967, which meant the international breakthrough for Gijs and Emmy."
